## 9. CRUISE THE ATLANTIC NORTH

Is it time to find your Norman Rockwell picture? The time is right to experience the most vivid and unique of earthly land and seascapes in the Atlantic northeast. Cruise your way north, sampling the freshest clam chowder and most sought-after lobster in the world. Take a nap to the sound of an ocean breeze. Dock in Halifax and check out the old clock atop the 1746 Citadel. Stroll the harbor walk for aromatic cafes and lively pubs. Or experience your own picture-perfect day at the Peggy's Cove Lighthouse, among the most photographed sites in the world. Some of our residents may never travel, but your gift could provide the VR equipment for them to experience the world!
